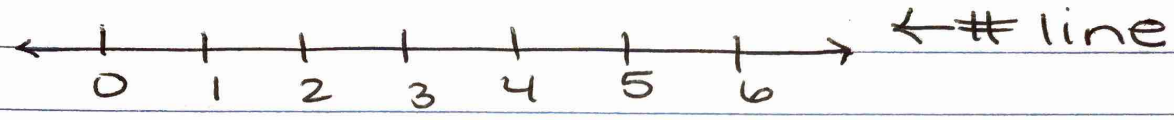
Dot Plots

Dot Plot - a display of data in which each data item is shown as a dot above a # line



61, 61, 64, 67, 70, 71, 71, 71, 72, 73, 74, 74, 75, 77, 79, 80, 81, 81, 83, 92, 93

① Order #'s least to greatest

② Draw a # line (label # line w/ minimum & max, & all #'s in between)

③ Put a dot above each # on the # line for each data point

④ Titles & labels
↑ if they ask

* Cluster: where a group of data fall *

*gap: interval with no data
